Commissioner's April 2025 report to Public Safety and Law Enforcement Committee

Good morning everyone. It has been an extremely productive month throughout the Division. I will briefly touch on a few items we are working on:

- A resolution has been put forward to fund Phase I of the Government Center Critical Infrastructure Protection Plan. With regard to that, we have submitted a grant application that – if awarded – will help allay some of the hardware costs associated with this investment.
- We are working diligently to complete our semi-annual update to the Domestic Terrorism Prevention Plan, due to the New York State Division of Homeland Security and Emergency Services Office of Counterterrorism by June 1st.
- We have filled two part-time positions, Health & Wellness Coordinator and Deputy Fire Coordinator for Special Operations. Both of those individuals have already hit the ground running.

PUBLIC SAFETY AND LAW ENFORCEMENT COMMITTEE - 911 REPORT

April 3, 2025

1. Our department participated in a Threat Assessment Management workshop by DHSES
2. Participated in the Sullivan West School safety tabletop exercise
3. Our department provided communication support along with our division partners for the search for missing children in Shandeele last month.
4. Completed workstation upgrades at both primary and backup public safety answering points
5. Working closely with the County Manager and the Broadband project. We have toured and allowed Archtop to review each of our tower sites for proposed equipment installation as part of that project.
6. I ask that everyone to keep 911 Dispatcher Carly Speer in their thoughts. After a recent 2 year battle with cancer, she was diagnosed last week with a brain tumor and underwent surgery the next day. She is in for a long recovery and we wish her a complete and speedy recovery.
7. Last but not least, each April we celebrate National Public Safety Telecommunicator Week. This week it will fall on April 13-19th and is a time to celebrate and thank those who dedicate their lives to serving the public as the true first-responders. It is a week that should be set aside so everyone can be made aware of their hard work and dedication. I welcome all of you to stop out at the 911 Center for a visit and to meet our dedicated team of dispatchers.

**RESOLUTION INTRODUCED BY PUBLIC SAFETY AND LAW ENFORCEMENT COMMITTEE
OPPOSING NEW YORK STATE GOVERNOR HOCHUL’S EXECUTIVE ORDER NUMBER 47.3
CONCERNING COUNTY HIRING OF FORMER EMPLOYEES OF NEW YORK STATE
DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION**

WHEREAS, on March 10, 2025 Governor Hochul issued Executive Order No. 47.3 that temporarily suspends or modifies Civil Service Law, County Law, Municipal Home Rule Law, Correction Law and Criminal Procedure Law to *“Prohibit the appointment, transfer and promotion of any individual previously employed by the Department of Corrections and Community Supervision employees”*, and

WHEREAS, the Sullivan County Jail and Corrections Officers have for decades provided for the care and custody of persons awaiting trial, convicts, and others, but has in recent years experienced significant staff shortages which strain the facility’s remaining workforce, who nonetheless diligently and commendably endeavor to maintain the safe and secure operation of the Correctional Facility and thereby protect and serve the public, and

WHEREAS, in a time when local governments, including Sullivan County, are grappling with severe staffing shortages and the need for qualified, experienced personnel, Governor Hochul’s executive order only exacerbates the crisis, and

WHEREAS, it is unthinkable and outrageous that in the same breath, that she push for second changes through the Clean State Act, she is denying those who have devoted their careers to public service the chance to continue their work and support their families.

NOW, THEREFORE, BE IT RESOLVED, that the Sullivan County Legislature hereby strongly opposes Governor Hochul’s Executive Order No. 47.3 and urge her to reconsider this ill-conceived order and

immediately reverse her decision.

BE IT FURTHER RESOLVED that a certified copy of this resolution be sent to Governor Kathy Hochul, Assemblywoman Paula Kay, Senator Peter Oberacker, Assemblyman Brian Maher and the New York State Association of Counties.
