

My name is Finn Peters and I live in the Town of Mamakating. I'm a home owner and have lived here for more than 30 years.

I'm unable to attend the public meeting but I was advised that I can still comment via this email.

In brief, we are all aware of increasing costs across the board for all taxpayers. These are not solely expressed in our tax bill. Groceries to utilities are crushing the Middle Class.

I am imploring you to refrain from dramatic tax increases. Though there are worthy projects that require financing, please explore alternative sources of revenue. We are all 'Under the Gun' and we need you all to appreciate that pressure.

Thank you for your time.

Finn Peters
