Community Events/ Relations/ Training

We attended Career day at Sullivan West High School on March 4, 2026.

Multiple staff attended the DA's training on March 19th. The topics covered were digital forensics for law enforcement, Victim Advocacy and Law Enforcement and Search and Seizure.

Kristy Sigelakis, Probation Supervisor, attended the 2nd Annual "Women in Law Day" on March 25th. This event featured a panel discussion with women attorneys and legal professionals representing diverse careers in the law and justice system. The program is designed to inspire young women, particularly students to consider a career in law, public service or advocacy.

We continue to closely monitor our supervision caseload numbers for public safety considerations, as they are steadily increasing. During the month of March, twenty-five (25) new probation supervision cases were assigned to staff. Should this trend persist, we will pursue the hiring of a Probation Trainee to fill the current vacancy.
