Deputy Commissioner of Public Safety

Report to Public Safety and Law Enforcement Committee

- We are making great strides in building out the new command vehicle and look forward to it being in service very soon
- We continue to expand the Tactical Awareness Kit application for multiple departments allowing for real-time personnel and resource tracking during incidents and high-risk assignments
- Our mesh radio build-out is expanding exceptionally and we will be working with the Division of Homeland Security and Emergency Services in Albany to bring them onboard
- We have successfully purchased and received winter and rain gear for the Sheriff's Office Emergency Services Unit
