

Public Safety Meeting – August 6, 2026
Bureau of Fire Report

The Bureau has remained extremely busy responding to structure fires, motor vehicle accidents, dive team activations, swift water rescue incidents, and search and rescue calls. I want to thank all of our first responders including Fire, EMS, 911 Dispatch, Law Enforcement, the Department of Public Works, and the New York State Department of Transportation for their continued teamwork and dedication.

The Rehabilitation (Rehab) Team has continued its training efforts and recently provided firefighter rehabilitation services during the Firefighter I class.

Recruitment efforts for the Join Sullivan Fire Task Force campaign continue. We will be participating in the Bagel Festival, the Grahamsville Fair, and several other community events to promote volunteer recruitment and public awareness.

The 3rd Annual Youth Academy held at the Training Center was a huge success. This was our largest class to date, with 23 cadets participating. I would like to thank everyone who contributed their time and support to make this year's academy such a success. Planning is already underway for next year's program.

Training continues to progress well. We are currently developing the schedule for our fall and early winter training courses to ensure our personnel remain prepared and ready to serve.
