

SULLIVAN CATSKILLS FARMERS MARKETS

The Sullivan Catskills Farmers Markets marketing has entailed purchasing a billboard located on NYS Route 17, social media promotion, newspaper ads and printed brochures. Over 3,500 Farmers Market brochures have been distributed to date. We are in the process of promoting the Senior Farmers Market Nutrition Program and SNAP/EBT at the markets.

SULLIVAN FRESH MARKETS

The Sullivan Fresh Markets kicked off in July. The program has a farmers market located on Monticello and mobile markets at the County buildings in Liberty, Woodridge, Loch Sheldrake, South Fallsburg, Wurtsboro and Garnet Health Medical Center. We have once again launched our Sullivan Fresh Wellness Program, where participants receive \$10 in Sullivan Fresh Bucks to spend at the markets after attending a wellness program, and a new Produce Prescription Program in partnership with Garnet Health. We are currently working with over 10 different farms to purchase local vegetables, fruits, meat, dairy and eggs.
