

Commissioner's Report to Public Safety & Law Enforcement Committee
November 6, 2025

- Rabies Control Officer's Report (10/1-10/30):
 - Dog exposures: 20
 - Cat exposure: 3
 - Raccoon: 1
 - Unknown: 1
- Attended the International Chiefs of Police conference with 16,000 other Public Safety administrators, which offered more than 100 educational sessions per day
- Completed the New York State Emergency Management Training & Education Academy, which meets the minimum training standards to keep Sullivan County eligible for Division of Homeland Security and Emergency Services grant funding
- Participated in the New York State Office of Counterterrorism Threat Assessment Workshop
- Our Rabies Control Officer hosted a New York State Agriculture & Markets training on animal shelter standards
- A huge thank you to the Office of Grants Administration for all of their hard work in preparation for our New York State Division of Homeland Security and Emergency Services Grants Review
