Dear Colleague:

The Office of Victim Services (OVS) previously awarded your program a grant for the period October 1, 2022 through September 30, 2025. This letter is to inform you that your program is being granted a one-year extension for the period of October 1, 2025 through September 30, 2026. Your contract number is C11381GG and your tentative award amount is:

2025-2026 Award - \$91,272.52

Planned Funding Source - Federal CFDA 16.575 VOCA 15POVC-25-GG-00347-ASSI

Please note that funding sources may be subject to change based on funding availability. In the event that an award's funding source is updated by OVS, you will be issued a revised letter to reflect this information for your organization's accounting and recordkeeping purposes.

Award amounts are considered tentative until successful contract negotiations are completed. Award amounts are dependent on the availability of funds and final Office of the State Comptroller (OSC) approval.

Additional OVS documents required to execute your agency's grant contract will be emailed with this award letter. Completed documents should be emailed to your OVS Contract Management Specialist. Please note that the contract negotiations will be completed in the Statewide Financial System (SFS). Your CMS1 will notify you when the contract is available in SFS.

On behalf of the Office of Victim Services, we look forward to continuing our shared efforts to provide critical services to victims and survivors of crime in communities across New York State.

Sincerely
