During the month of July, we were introduced to the Department of Health and Human Service's new Peer Court Navigator, Emma Carlson. The new program is designed to support individuals in the criminal justice system who may benefit from mental health and social service interventions. We look forward to utilizing Emma in the months to come.

On July 21, 2025, one of our Probation Officers resigned due to a relocation, leaving us three current vacant positions. As previously reported, the civil service test was administered in June and we hope to receive the results and fill positions during the fall.

During July 28, 2025 through July 30, 2025, all armed probation staff passed their annual firearms qualifications, led by our internal Firearms Instructor, Supervisor Bret Reimer, and assisted by our internal Armorer, Senior Probation Officer Vincent Reilly.

During July 30, 2025 through August 1, 2025, three officers attended the New York State Probation Officers Association conference in Fairport, New York. All three officers applied for and were granted registration scholarships from the New York State Division of Criminal Justice Services – Office of Probation and Correctional Alternatives.

On July 31, 2025, our Department received notification from the Division of Criminal Justice Services we had a 0% rejection rate for all DNA submissions during the second quarter (April – June 2025). This is

the second consecutive quarter of no rejections due to collection errors.
