\*On 1/27/25, our department was notified due to staffing shortage in both Sullivan and Orange Counties, Catholic Charities put a temporary hold on admissions. They will continue to admit DWI court, and Drug Court participants. Otherwise, we are to refer individuals to the Catholic Charities Helpline 24/7 at ( 845) 794-8080 ext. 4357 ( HELP). Catholic Charities are hoping this will only be for a few weeks while staff transition to fill in vacancies in multiple clinic locations.

\* On 1/14/25 Sullivan 180 presented a film on Resiliency to the probation staff

\* On 1/6/25, 1/15/25 and 1/23/25, after hour home contacts were completed. In total, Officers attempted to see 50 offenders, or at least make a collateral contact. In all, 35 probationers were home and seen with no issues reported.

\* 5 staff members attended the American Association of Probation and Parole (APPA) Conference from 1/25-1/29. They were able to see and listen to national speakers regarding effective leadership, supervision, officer wellness, and officer safety. We also met with various vendors regarding programs and tools to enhance supervision.
